ABOUT ME

Kia ora, my name is Liam.

I am a design graduate from Massey University with a strong foundation in communication, creativity, and problem-solving. My current role as a retail assistant at I Love Ugly has given me valuable experience in delivering exceptional customer service, building positive relationships, and understanding the diverse needs of customers. Through this, I have developed excellent interpersonal skills, adaptability, and the ability to provide solutions in a fast-paced environment.

In addition to my retail experience, I have a diploma in screen production and freelance as a videographer, which has further strengthened my organizational skills, attention to detail, and ability to work collaboratively to achieve shared goals. These experiences have taught me how to effectively manage tasks, meet deadlines, and engage with people from a variety of backgrounds.

I am passionate about creating positive experiences and contributing to environments where people feel supported and valued. I look forward to the opportunity to apply my experience and skills to this role, ensuring that I can contribute to creating a welcoming and supportive environment for everyone I interact with.
